Step II: Searching High Converting Offers

- Newbie Friendly Tips to Filter Out High Converting Offers
- Works in Any Niche
- Success Secrets on Any Niches

Searching High Converting Affiliate Offers from Warrior Plus:

1. Head over to [WarriorPlus](#) and visit the 'offer' section.
2. Enter the keyword based on your choice.

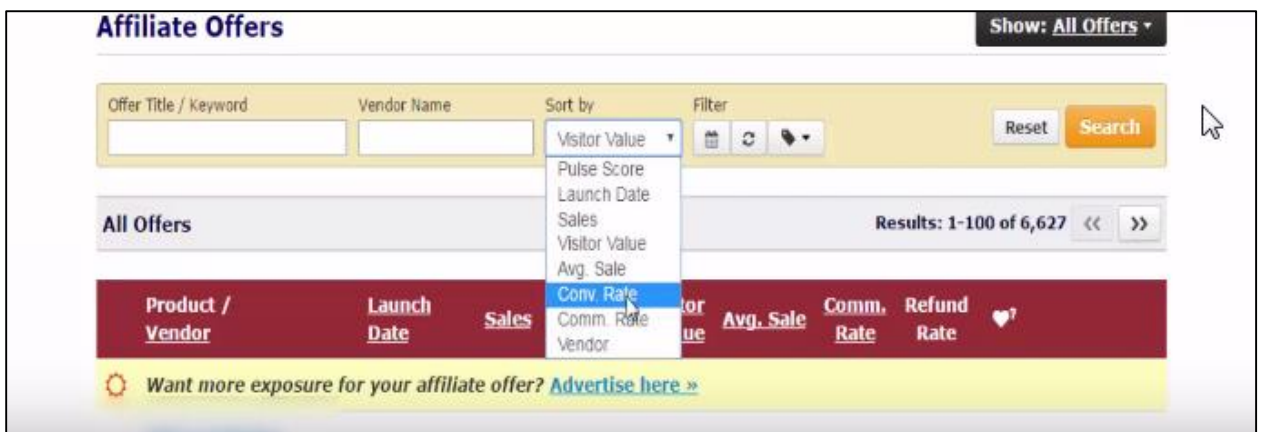

Affiliate Offers Show: All Offers ▾

Offer Title / Keyword Vendor Name Sort by Visitor Value ▾ Filter

All Offers Results: 1-100 of 6,627 << >>

3. Sort the search results as per conversion rate.

Affiliate Offers Show: All Offers ▾

Offer Title / Keyword Vendor Name Sort by Visitor Value ▾ Filter

All Offers Results: 1-100 of 6,627 << >>

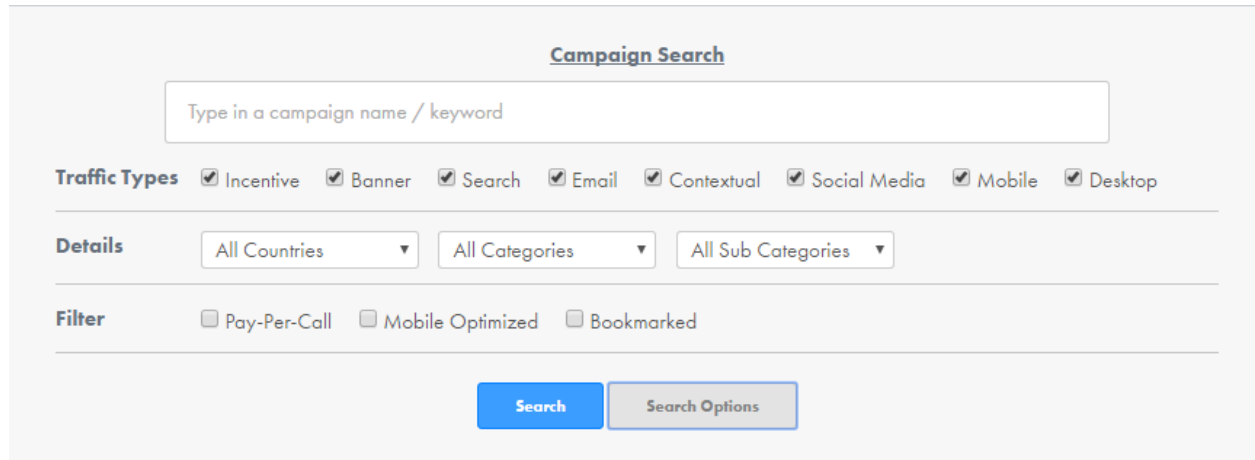

Product / Vendor	Launch Date	Sales	Conv. Rate	Comm. Rate	Refund Rate	♥
------------------	-------------	-------	------------	------------	-------------	---

Want more exposure for your affiliate offer? [Advertise here](#) »

4. Check out the following analytic columns before picking an offer.
 - Sales Column: Should be higher. Minimum of 100 or more.
 - Conversion Rate: Should be higher.
 - Visitors Value: Should be higher.
 - Average Sale: Should be higher.
 - Refund Rate: Should be lower.
5. Check out the JV page of the offer.
6. Check out the review access of the offer.

Searching High Converting CPA Offers from MaxBounty:

1. Go to [Maxbounty.com](https://maxbounty.com).
2. Click on “Search Campaigns”.

The screenshot shows the 'Campaign Search' interface on MaxBounty. It features a search input field with the placeholder text 'Type in a campaign name / keyword'. Below the input field, there are several sections for filtering results:

- Traffic Types:** A row of checkboxes for Incentive, Banner, Search, Email, Contextual, Social Media, Mobile, and Desktop, all of which are checked.
- Details:** Three dropdown menus for 'All Countries', 'All Categories', and 'All Sub Categories'.
- Filter:** Three checkboxes for 'Pay-Per-Call', 'Mobile Optimized', and 'Bookmarked', all of which are unchecked.

At the bottom of the form, there are two buttons: a blue 'Search' button and a grey 'Search Options' button.

3. In “Details” section, select United States.

Search Search Options

6. Sort By “EPC”:

By clicking on EPC column header you will be able to sort the results according to EPC rate and thus arranging offers from high to low based on EPC rate. This will help to get the most profitable and highest converting offers.
